

# ATELIER NO. 007

Natural oxidized oil in a soft matte finish. Light brushed texture. Larger knots are filled with dark epoxy on natural grades. 007 is a smoked finish and has medium color variation. Planks are available up to 15.75 in wide and up to 20 feet in length.

\* Wood is a natural material. The availability of specific species, grades and dimensions can vary on a month-to-month basis. For that reason, we cannot guarantee lead times on all products. This is especially true for longer lengths, wider widths, and cleaner grades.
