

MANZANITA

A hard wax oil finish with a satin hand feel and light wire brush. Manzanita is a rich finish with a medium color variation that looks best on natural-grade planks. Natural grade is available in 8-inch widths, and prime is available in 7-inch widths. Standard 2 to 10 feet lengths.

* Wood is a natural material. The availability of specific species, grades and dimensions can vary on a month-to-month basis. For that reason, we cannot guarantee lead times on all products. This is especially true for longer lengths, wider widths, and cleaner grades.
