

# WREN

Natural oxidized oil in a soft matte finish. Medium brushed texture with occasional unfilled knots and cracks in our natural and live grades. Larger knots and cracks are filled with dark colored epoxy. Wren has medium color variation. Planks are available up to 20 inches wide and 35 feet long.

\* Wood is a natural material. The availability of specific species, grades and dimensions can vary on a month-to-month basis. For that reason, we cannot guarantee lead times on all products. This is especially true for longer lengths, wider widths and cleaner grades.
